· The Alaska Small Business Development Center (ASBDC) is a statewide business assistance program. The services it offers to small businesses are not duplicated or provided by any other agency or organization. The primary emphasis of the program is in-depth, quality business counseling. Through professional counseling, small business are assisted in solving problems concerning operations, manufacturing, engineering technology exchange, accounting, business strategy development and other disciplines required for small business growth, expansion, innovation, increased productivity and management improvement. The individual business counseling is supplemented with quality business training designed to improve the skills and knowledge of existing and prospective small business owners/managers. The ASBDC has historically been funded in the capital budget for \$450,000. The change in the FY03 request represents the Match Fund for two new programs that are expected to address rural economic development and technology transfer.
